

Scholarship Application

At ICOHS College, a non-profit institution, we are proud to receive funding from external organizations to help bridge the educational gap and support students in achieving their academic dreams. We are honored to administer these need-based scholarship funds and assist our students in accessing financial assistance to reach their educational goals. This application is completed by the student and submitted to ICOHS College for scholarship consideration. Scholarships range from \$500 to \$3,000 and are administered directly by ICOHS College. Funds are limited and will be awarded on a first-come, first-served basis to eligible students who demonstrate financial need, until all available funds have been distributed.

Recipients of these scholarships understand that the funds will be credited toward tuition and will not be distributed directly to students. Additionally, the scholarship will be awarded toward the end of the program, and all conditions must be met below:
